

Crowned with Grace Etiquette Academy

Program Mission

Crowned with Grace Etiquette Academy was created to inspire girls to embrace the beauty of grace — both inward and outward.

This program teaches timeless etiquette, confidence, and self-respect while nurturing leadership, kindness, and strong moral character.

Our mission is to help every young lady understand that grace is more than polished manners — it is strength, compassion, and confidence guided by purpose.

Program Philosophy

We believe etiquette is not about perfection; it's about presence.

When a young lady learns to speak kindly, carry herself with confidence, and respect others, she begins to walk in her natural elegance — the grace she was born with.

Through this program, instructors are not simply teaching rules of behavior; they are shaping character, building confidence, and modeling dignity.
